## OTHER MATERIALS

Amerascrew uses a variety of materials to fit your individual product needs. Aside from our materials listed above, we also have titanium, zinc, and precious metals in stock to get you exactly what you're looking for.

We are continuously updating our material listing however because we are human, on occasion we may have missed adding one. ***If you do not see the material your project requires, this doesn't mean we can't or don't use it. To inquire, please call us at 419-522-2232 or send an email to [johnkeith@amerascrew.com](mailto:johnkeith@amerascrew.com).***
